ALEXANDRA FEINBERG

Irvine, CA | Alifeinberg01@gmail.com

Special Education Teacher dedicated to the learning and development of students with Moderate to Severe Disabilities across K-12 settings in public, private, and clinic-based settings. Skilled in IEP development, evidence-based instruction, AAC systems, applied behavior analysis, and data-driven decision-making. Driven by the belief that every student deserves access to a rich, engaging, and meaningful education.

EXPERIENCE

Saddleback Unified School District, El Toro High School Lake Forest, CA *Aug 2026 – Present*
Education Specialist, Moderate to Severe Disabilities

- Deliver individualized instruction in a Foundations class using the Unique Learning System (ULS) curriculum, adapting materials, pacing, and supports to align with each student's IEP goals.
- Serve as case manager for an IEP caseload, writing measurable, standards-aligned goals, facilitating IEP meetings, and using ongoing progress monitoring data to guide instruction and maintain compliance.
- Embed functional life skills, communication supports, and vocational readiness into daily instruction, supporting post-secondary transition planning that prepares students for greater independence after high school.
- Supervise, train, and coach instructional aides to implement individualized supports, behavior plans, and data collection with consistency across settings.
- Collaborate with general education staff, related service providers, administration, and families to support student access, progress, and participation across the school community.

Irvine Unified School District, South Lake Middle School Irvine, CA *Aug 2024 – June 2026*
Education Specialist, Moderate to Severe Disabilities

- Developed and implemented comprehensive IEPs grounded in each student's strengths, functional needs, and long-term goals, ensuring plans are meaningful, measurable, and compliant with state and federal requirements.
- Applied Universal Design for Learning (UDL) frameworks to deliver differentiated instruction across functional academics, communication, and life skills, incorporating visual supports, task analysis, and multi-modal teaching strategies.
- Implemented AAC systems, PECS, core vocabulary boards, and individualized language supports to build expressive communication for students with limited verbal abilities.
- Designed and maintained a structured, sensory-informed classroom environment utilizing visual schedules, regulation spaces, and individualized tools to maximize engagement and independence.
- Partnered with specialty services, school administration, and instructional aides to align IEP goals, communicate progress, supervise and coach support staff, and deliver cohesive whole-child instruction.
- Analyzed progress monitoring and behavioral data to drive instructional decisions and ensure each student is continuously challenged and appropriately supported.
- Communicated proactively with families through daily logs, emails, and IEP meetings to strengthen the home-school connection and reinforce learning across environments.

Aya Healthcare, Malibu High School Malibu, CA *Mar 2024 – Jul 2024*
Life Skills Special Education Teacher, Moderate to Severe Disabilities

- Designed and implemented an individualized life skills curriculum encompassing functional academics, daily living, communication, and vocational readiness to prepare students for greater independence in adulthood.
- Developed and managed IEP goal-tracking using electronic data collection aligned with California Alternate Standards, ensuring accountability and continuous progress monitoring.
- Taught adaptive daily living skills through visual task analyses, systematic modeling, and prompt fading, and facilitated community-based instruction (CBI) experiences to help students generalize skills in real-world environments.
- Partnered with specialty services, school administration, and families to support post-secondary transition planning and empower caregivers as active members of the educational team.

Windward Synergy Center Kailua, HI *Mar 2021 – Dec 2023*
Behavioral Intervention and ABA Specialist

- Delivered individualized ABA-based intervention to students with autism across clinic, home, and community settings, implementing behavior intervention plans (BIPs) to reduce challenging behaviors while building communication, self-help, and social skills.

- Applied evidence-based strategies including DTT, Natural Environment Teaching (NET), and errorless learning while collecting and analyzing data on skill acquisition and behavior targets to inform ongoing programming decisions.

New England Center for Children Southboro, MA *Jun 2017 – Feb 2021*
Level 2 Teacher

- Delivered 1:1 and small group ABA-based instruction to students with autism across educational and residential settings, collaborating with multidisciplinary teams to develop and monitor individualized treatment plans.

ADDITIONAL EXPERIENCE

Temple Beth El, B'Yachad Program Aliso Viejo, CA *Sep 2025 – Present*
Special Education Teacher

- Deliver individualized instruction to students with disabilities within a Jewish supplemental education program, adapting curriculum, pacing, and environment to honor each student's learning profile.
- Build partnerships with synagogue educators and families to ensure students experience genuine belonging and active participation in religious and community life.
